- Select **'Profile and contact details'**

E-tax for individuals (TastSelv)
E-tax for individuals is the digital self-service system of the Danish Customs and Tax Administration

See your tax assessment notice > See your income, deductions and tax from last year	Change your tax assessment notice/tax return > Change your income, deductions and tax from last year	Preliminary income assessment > See and change your expected income, deductions and tax for this year (in Danish)
Pay tax > Pay your outstanding tax, pay in advance and see your future payments	Income information from the E-income system (eIndkomst) > See information reported by your employer etc., and see who is using your tax card (in Danish)	Tax information > See the information we have about your taxes, income, interest and taxes paid (in Danish)
Property tax loan > See and apply for a property tax freeze loan and pensioner loan (in Danish)	Motor vehicles > See information in the Danish Register of Motor Vehicles (in Danish)	Profile and contact details > See and change your contact details
Contact > Write to us and see replies		

- Select **'Giv adgang til rådgiver eller andre'**

Profil

Giv adgang til rådgiver eller andre > Her kan autorisationer tilføjes, rettes og slettes	Kontaktoplysninger > Se og ret dine kontaktoplysninger	Oversigt over hændelser > Se en oversigt over dine hændelser
Kvitteringer for indtastninger > Se dine kvitteringer	Ændre TastSelv-kode > Her kan TastSelv-koden ændres	

- Select **'Create new'** at the bottom right.

The screenshot shows a table titled "Accesses" with four columns: "CPR/CVR/SE no.", "Name", "Status", and "Action". Below the table, there is a dark blue button labeled "Create new".

- Vælg **'Change and delete authorisation'**
- Insert **inforevisions cvr-nummer 19263096** in the two boxes > press **'next'**

The screenshot shows a form titled "Authorise your accountant or others". It has four expandable sections: "Who can you authorise", "How to authorise access", "Validity", and "Change and delete authorisation". Under the "Change and delete authorisation" section, there are two input fields. The first is labeled "I authorise access to" and contains the value "19263096". The second is labeled "Please repeat the no. you have entered" and also contains "19263096". At the bottom, there are "Back" and "Cancel" buttons on the left, and a "Next" button on the right.

- Check the box for **'Select access to all information'** and enter an expiration date.

The screenshot shows a form titled "Select access to all information". It has two input fields: "Access" and "Expiry date (dd-mm-yyyy)". Below these fields, there is a checkbox with the text: "If you tick this box, the person you have authorised to access your information will have access to all items in E-tax for individuals and any new items. (?)". At the bottom, there are "Back" and "Cancel" buttons on the left, and an "Accept" button on the right.

- Press **'Accept'**.

You will now receive a confirmation that the authorization has been completed.
